

# Asbestos Safety Policy

## PURPOSE

The Portarlington Neighbourhood House aims to provide a safe and secure environment for all who work in and use the House.

The purpose of this policy is to establish protocols and procedures that effectively monitor and manage potentially dangerous situations.

## POLICY

The Portarlington Neighbourhood House may implement this asbestos safety policy:

PNH is aware that the internal and external lining of the building in which it operates is asbestos. Our policy is not to compromise or disturb these walls in anyway.

## PROCEDURES

In case of building damage or disturbance of asbestos walls:

- The immediate area will be quarantined to ensure people are not exposed to danger.
- The appropriate asbestos authorities will be called.
- Landlords (Arlington Lodge) immediately notified.
