

# MUSIC & MOVEMENT FOR PRE-SCHOOLERS & CARERS

*Friday @ 9.15am*

*With Di*

**Note: This activity is not running during Term 1 of 2021.**

A lively, interactive and fun music and movement session is created every Friday for pre-schoolers and their carers.

All children must be accompanied by a parent, carer or grandparent to help guide the children so that everyone enjoys the pleasure of the music and movement.

Children are encouraged to explore musical sounds, beat, tempo and rhythm and everyone is welcome to sing, dance, listen and learn.

This is a fun session for pre-schoolers and afterwards many of the children and carers enjoy more fun outside in the beautiful park playground.
