
BIRD WATCHING & NATURE RAMBLE***Group Hobby***

Each month a new destination is chosen for either local or further afield bird watching adventures.

If you are interested in birds and nature, join this group on the next excursion. The group meets on the last Thursday of each month.

For further information, contact the office.

GARDEN CLUB***Group Hobby***

This group has 'green thumbs' and like to share their knowledge and enthusiasm. They meet in the evening on the 4th Monday of each month to share a cup of tea and gardening tips.

Regular 'garden' outings are arranged providing inspiration and information.

Open to both keen gardeners and those who want to learn more. Contact the office to enquire where the next meeting will be held.
