
MUSIC & MOVEMENT FOR PRE-SCHOOLERS AND CARERS

A lively, interactive and fun music and movement session is created every Friday for pre-schoolers and their carers.

The children, along with their carers, are encouraged to explore musical sounds, beat, tempo and rhythm.

The children are encouraged to sing and dance with one another and to listen and learn.

Parents, grandparents and carers are welcome and encouraged to participate and help guide the children so that everyone enjoys the pleasure of music and movement.
